A big thank you!

This is my first author newsletter. You're receiving it because you signed up. For that, I say thank you!

News

- In May, I created my own **author website**. Have a look - www.bennokurvits.com.
- Today, I posted my third **blog** post. See my website again - www.bennokurvits.com/blog.
 - That post is "Theological" in nature. It's called, "What Was Will Be - Part 1."
 - My first post was about "Writing." It's titled, "Fairer Than the Sons of Men."
 - My second was "Political," titled "And What About Our Canadian Government, Eh?"
- In April, I finished a polished draft of my **first novel**. I've submitted it into a writing contest.
- I'm at the very early stages of creating another story/novel.

Thoughts on Writing

"Non-fiction communicates truth to the intellect through logical thought. Fiction communicates truth to the heart through emotion. The art of emotion is how fiction does its work. It takes skill to write this kind of fiction." (Dave Lambert)
