PSALM 45:1

BENNO K

Second Format

Little by little I’m building my collection (not synonymous with “empire”) of published books. I now have three available, which may be purchased from me personally in paperback, or through Amazon.

In the last few weeks, I’ve learned how to create e-book versions through Kindle Create. Thus, I published on Amazon a second format of both *How Do You Read It?* and *From Shadow to Substance*.

My most recent book, *From Shadow to Substance: A Biblical Study of the Sabbath*, has been a long time in the making. I realize that the Sabbath issue is controversial in Christian circles but my objective in studying and writing about this subject is to do my own legwork on it and not simply rely on what others had to say. So, I’ve tried to be thorough in how I presented what the Bible has to say on the subject. I sought to follow the dictum put forward by J. I. Packer: “No proposed theory of the Bible’s meaning that does not cover all the Bible’s relevant statements can be true.”¹ Thus, I’ve sought to leave no stone unturned. I hope you might obtain a copy, give it a read, and find it helpful.

I am still deliberating over what my next writing project will be; ideas are percolating.

Cheers, Benno
